

Salem Youth Symphony Corporate Sponsorship Letter

Salem Youth Symphony is seeking sponsorships and donations which will directly support our 2024-2025 concert season. As a registered 501(c)(3) non-profit organization our budget is covered in part by tuition, supplemented with donations and support from the community.

Salem Youth Symphony has a rich history since 1954 of teaching young musicians and providing an exceptional orchestral experience. Last season our 200 members, ages 7-22, represented over 50 schools and a dozen communities. These are the musicians and leaders of the future.

Please consider sponsoring SYS for the 2024-2025 concert season. Your support will help fund rehearsal and performance venues, provide musical instruction by professional musicians and educators, provide artistic supplies such as musical instruments and sheet music, and provide tuition assistance for qualifying students.

Please consider Sponsoring SYS for the 2024-2025 Concert Season!

CORPORATE SPONSORSHIP BENEFITS
